KUALA SELANGOR.

In his June report Mr. A. Hale, D. O., writes:—

Mr. Tanner, from Ceylon, arrived (10th June) to look at some coffee land.

I went to Jeran on 13th June. The people are distressed that the police are being moved to Sungei Buluh. I confess I do not see the benefit and have written officially on the matter.

At Bukit Panjang nearly a thousand acres have been felled for padi planting.

I went on 20th June to Kuala Lumpur for the Jubilee, having sent the chiefs on two days before.

On 26th I returned to Kuala Selangor. Everywhere I hear amongst the people who attended the Jubilee expressions of gratification concerning the celebration.

Last night (29th June) and the night before, what appear to have been attempts to burn the town down occurred; and each night the attap roofs of shop houses were discovered on fire, which was in both instances luckily put out. On telegraphing for assistance to Klang three extra constables were sent, so that two men are now on guard in the town instead of one. These fires have had the effect of frightening the Chinese shop-keepers, and I am about to report on a scheme for roofing the town with tiles.
