A peculiar case occurred at Sungei
Siput late on Monday night when eight
Chinamen, two of whom, were armed,
forced a Chinese woman, her husband,
and a friend to accompany them for a
distance of four miles along the road.
Here they cut off an ear of each of the
men, and taking the woman with them,
sent the two men back to Sungei Siput.
Further details are lacking as there is at
present a certain amount of doubt
attached to the story.
